

9 Colback Street Binningup, WA

Fancy a Seachange?

Vacant blocks don't come along very often in this sought after street, so don't miss this opportunity to secure one of the two that are left!

The property is 713m² in size and has an extra wide frontage of 28.3m. Once you come up the rise at the front you will find a lovely flat area, where you can secure some amazing ocean views to the south-west. A small shire reserve is at the back of the block, so you won't have neighbours at the back of your property, apart from maybe a kangaroo or two!

The supply of vacant land is in short supply, so be quick to secure this block in one of Binningup's most loved streets.
